# SASS IRIS

1930

*Maple Road Garden*

*Jacob Sass*

*Rt. 6 Benson Sta.*

*Omaha, Nebr.*

**AK-SAR-BEN 78** (Jacob Sass, 1923)—S and F fawn and velvety brown markings on cream colored ground; yellow beard, 27-inch.....\$3.00

**AUTUMN KING** (H. P. Sass, 1924)—A blue-purple bicolor of fine size, shape and height that has a habit of blooming a second time in the autumn \$1.00

**AUTUMN QUEEN** (H. P. Sass, 1926)—A white fall blooming variety of fine shape but on rather short stems as it is an intermediate form; a white pumila hybrid pollenized by Autumn King.....\$1.50

**BALDWIN** (H. P. Sass, 1926)—A manganese violet self of large size on 40-inch stems.....\$6.00

**BEAU IDEAL** (Jacob Sass, 1924)—A unique plicata; white with an almost solid half inch border of Chinese violet on both S and F; large and of fine substance; 32-inch .....\$0.50

**BUTO** (H. P. Sass, 1926)—S royal purple; F velvety blackish violet; flowers of the largest size; 30-in....\$5.00

**CAROLINE E. STRINGER 82** (Jacob Sass, 1924)—S pale rose-purple; F pale rose-purple; haft has yellow sheen; yellow beard, 33-inch.....\$1.50

**CHALLENGER** (Int. 27-1) (Jacob Sass, 1930)—S dull dark purple, very large, overlapping; F dark blackish violet, falls flaring, wide haft, beard white, tipped orange. This is one of our very largest intermediates. It blooms a long time. Leaves 2 inches wide, stiff and curling. Very hardy and vigorous.....\$5.00

**CHESTNUT** (Jacob Sass, 1930)—S cinnamon drap, ruffled; F cream, faintly dotted petunia violet brown stripes on yellow haft. A fine ruffled blend. This is another plicata to make up a collection.....\$3.00

**CHIEF** (Jacob Sass, 1926)—A large near royal-purple intermediate; late; 22-inch.....\$2.00

**CHURCHMOUSE** (H. P. Sass, 1929)—An almost self Hay's Brown. A wonderful new color in irises; medium large flower on 36-inch branching stem.....\$4.00

**EVENTIDE** (H. P. Sass, 1926)—A self of Hays lilac color; 36-inch .....\$3.00

**EUPHONY** (H. P. Sass, 1929)—S mustard yellow, tipped chamois, ruffled; F same color, overlaid vinaceous. A medium large flower on 36-inch branching stem; growth vigorous and hardy.....\$4.00

**GOLDEN HARVEST** Int. (Jacob Sass, 1930)—S olive yellow, bluish sheen toward haft; F yellow citron, haft sulphur yellow, striped white with a brown bluish sheen;

distinct orange beard. Blooms in fall as well as in spring; our only fall blooming yellow.....\$7.50

**JUBILEE** (Jacob Sass, 1923)—A large ruffled flower of heavy substance; S Naples yellow with a sheen of dotted purple; F white and striped brown on the haft with purple dots along the side of the distinct yellow beard; F flaring; 27-inch.....\$1.50

**JUMBO** (Jacob Sass, 1927)—S. Vanderpoel's violet; F mulberry purple with distinct brown stripes on haft; orange beard; substance extra heavy; plants vigorous; blue at base.....\$2.00

**KING KARL 83** (Jacob Sass, 1925)—A beautiful plicata deeply frilled; S light pinkish cinnamon; F cream, sprinkled Liseran purple all over the fall; beard yellow; 27-inch .....\$1.50

**KING TUT** (H. P. Sass, 1926)—S and stigmas cacao brown; F Hessian brown; haft and beard golden yellow; 30-inch .....\$6.00

**LONA 80** (Jacob Sass, 1923)—A plicata of large and distinct effect; S pale purplish vinaceous, white toward center, ruffled; F cream, dotted and striped eupatorium purple; haft has yellow sheen; 27-inch.....\$1.50

**MATILDA** (Jacob Sass, 1929)—S soft bluish violet sprinkled on white ground; F same color. Medium large flower on 30-inch stem. This is the nearest blue plicata I have seen.....\$2.50

**MIDGARD** (H. P. Sass, 1926)—S and F yellow, shaded pink. The pink and yellow blend together and produce a bloom of indescribable beauty. The general effect is a glowing pink. Very large bloom of fine shape and lasting substance, a 36-inch branching stem. It is perfectly hardy and a good grower. The best blend of its color in existence today.....\$7.50

**MIDWEST 84** (H. P. Sass, 1923)—A delightfully ruffled flower flushed and dotted deep rose on a white ground; 30-inch .....50c

**MRS. ALBERT SHERMAN HOYT** (Jacob Sass, 1927)—S light amparo purple, ruffled; F white, striped petunia violet on edge and haft; heart shaped white at center; 27-inch .....\$2.50

**MRS. WICHT** (H. P. Sass, 1929)—S light cadmium yellow, conic; F maroon, light orange beard, 30-inch stem; a fine yellow bicolor.....\$4.00

**NEBRASKA** (H. P. Sass, 1927)—S apricot yellow, ruffled; F same color, striped and clouded brown; dark yellow beard; 34-inch.....\$6.00

**NEHAWKA** (Jacob Sass, 1929)—A self colored plicata, but the darkest blue purple of all of them. Large flower on 28-inch stem. This is a fine addition to my plicatas .....\$5.00

**NYMPH** (H. P. Sass, 1926)—An empire yellow intermediate .....\$3.00

**OLD GOLD** (H. P. Sass, 1929)—S primuline yellow, ruffled. F old gold overlaid buff, a few stripes on haft, distinct yellow beard tipped brown. Medium large flower on 28-inch branching stem. A real fine yellow plicata .....\$2.00

**OMAHA** (H. P. Sass, 1926)—S dark vinaceous; F vinaceous purple. Large bloom on 30-inch stem. Plant hardy and vigorous. This is nearest to red.....\$6.00

**PRAIRIE GOLD** (H. P. Sass, 1926)—A deep yellow self. A great advance in yellow iris, in fact, the darkest yellow in existence today. Large bloom on branching 34-inch stems. Plant hardy and vigorous, a fast increaser .....\$2.00

**PURPLE HAZE** (H. P. Sass)—A French gray self, large flowered with 32-inch stems.....\$3.00

**RAGUSA Int.** (H. P. Sass, 1929)—S pansy purple, erect; F blackish red purple; 5 to 7 flowers on 26-inch stem. This is one of the best dark red purple blends of our intermediates .....\$5.00

**RAMESES (15-27)** (H. P. Sass, 1929)—S light russet, vinaceous with yellow glow through center; F tourmaline pink, large apricot beard, branching stem, 36-inch high. Plant vigorous and hardy, one of the finest new blends .....\$10.00

**RED WING** (H. P. Sass)—S light-brownish vinaceous; F dahlia carmine of large size on 36-inch stems.....\$6.00

**TROSTRINGER** (H. P. Sass, 1926)—A cross between C. E. Stringer and Trojana, but has taller stems and the flowers are better placed than in C. E. Stringer; color is the same.....\$2.00
